Greek Standards of Excellence

Greek organizations provide a unique balance of opportunities in leadership, service and philanthropy, academics, and social activities. The Greek Standards of Excellence program was designed to encourage such opportunities for the overall improvement of individual chapters and to advance the Greek community at TAMUC.

We believe that in order for these standards to have an impact, chapters must value the timeliness and quality of completion for each task. Each semester, each organization will be evaluated and recognized based on points received per task. Greek organizations will better be able to recognize areas in which they are excelling and areas in which they can continue to improve.

There are 550 possible points broken down into 5 categories of standards: **Academic Excellence, Chapter Management, Leadership Development, and Compliance, Membership, and Recruitment, and Service and Philanthropy.**

Your chapter will be recognized in one of these three categories based on points received:

Good Standing: 550-440 (100-80% of points possible)

- Listed as Good Standing on the Fraternity & Sorority Life Website and information sent to (Inter) National/Regional Headquarters.

Needs Improvement: 439-330 (79-60% of points possible)

- Listed as Needs Improvement on the Fraternity & Sorority Life Website and information sent to (Inter) National/Regional Headquarters.
- Required to meet with council advisor once a month to plan and implement status improvements.
- Required to submit a detailed plan of improvement to achieve Good Standing status.
- List of chapters will be submitted to the Dean of Students.

Probation: 329 points or below (less than 59% of points possible)

- Listed as Probation on the Fraternity & Sorority Life Website and information sent to (Inter) National/Regional Headquarters.
- Required to meet with council advisor once a month to plan and implement status improvements.
- Chapter not able to participate in Intramurals.
- List of chapters will be submitted to the Dean of Students.

This packet outlines, in detail, the requirements and expectations for the Greek Standards of Excellence program. It was created for the use of chapters to manage the completion of required tasks. This packet is subject to change by the Office of Student Engagement (Fraternity & Sorority Life). It is highly recommended that the responsibilities outlined in the packet should be delegated among chapter leadership.

Point System

Based upon points received, Greek organizations will be able to better recognize areas in which they are excelling and areas in which they can improve.

Each task required for the Greek Standards of Excellence is associated with a specific point value. Points will be rewarded for the completion of a given task based on the timeliness and quality of completion. In order to receive full points for any given task, it must be completed by its due date and in the requested format. Point values awarded for tasks are always subject to the judgment of staff in Fraternity and Sorority Life. Points may be deducted for an incompleteness, untimeliness, or incorrect format. If deadlines are missed, chapters are still encouraged to complete each task.

15 point tasks

Points Received	
15	Completed on time and in the requested format
10	Completed on time, incorrect format
7	Submitted late, in the requested format
3	Submitted late, incorrect format
0	Not submitted (not submitted within two weeks of the deadline)

10 point tasks

Points Received	
10	Completed on time and in the requested format
7	Completed on time, incorrect format
5	Submitted late, in the requested format
2	Submitted late, incorrect format
0	Not submitted (not submitted within two weeks of the deadline)

5 point tasks

Points Received	
5	Completed on time and in the requested format
4	Completed on time, incorrect format
3	Submitted late, in the requested format
1	Submitted late, incorrect format
0	Not submitted (not submitted within two weeks of the deadline)
